PROFESSIONAL SUMMARY

Motivated and detail-oriented Web Developer with a strong foundation in frontend development and growing expertise in backend technologies. Proficient in HTML, CSS, Tailwind CSS, JavaScript, and React, with hands-on experience building responsive websites for businesses and individuals. Currently learning REST APIs, CRUD operations, input validation, and JWT authentication for secure web applications. Holds a First-Class degree in Business Administration with professional experience in operations and administration. Eager to apply problem-solving skills and technical knowledge in a collaborative environment.

EDUCATION

- **Codetrain Africa** | Software Engineering Training (Full Stack) | 2024 – Present
- **Presbyterian University, Ghana** | BSc. Business Administration (First Class Honours) | 2017 – 2021
- **ICM-UK Diploma** | Accounting and Finance | 2015 – 2016
- **Chemu Senior High School** | General Arts | 2006 – 2009

WORK EXPERIENCE

Freelance Web Developer | Cyba Technologies | 2025 – Present

• Designed and developed responsive websites and web applications for businesses such as Frimsa Foods, Daven Consultants, VA4ME Virtual Assistant, Menorah Health LLP, Multipointers Limited, and Farmrite.

• Implemented clean UI/UX using HTML, CSS, Tailwind CSS, JavaScript, and React.

• Integrated multi-page navigation, dynamic content, animations, and optimized responsive layouts.

• Built Todo List Tracker App (MERN) with secure login, task features, and JWT authentication.

• Backend API design including CRUD operations, validation, and secure authentication systems.

National Service Personnel | Parliament House of Ghana | 2021 – 2022

- Assisted with committee meetings, prepared memos, and recorded minutes.

Operations Manager | McCallys Procurement Service Ltd. | 2017 – 2021

- Planned inventories, set strategic goals, analyzed financial data, recruited and supervised staff, and enhanced operational practices.

Administrative Secretary | Greenwich Meridian Early Childhood Dev. Centre | 2014 – 2017

- Managed administrative tasks including document processing, typing reports, fee collection, and customer service.
